RENSSELAER HIGH SCHOOL
WILLIAM J. HOLT, Principal
RENSSELAER, INDIANA

Dear Students:

We of Rensselaer High School have many reasons to be proud of our school and its history. You who are young and eager to meet the challenges of modern living are aware of school tradition and of its meaning for the present and the future. You are interested too, as you have demonstrated on many occasions, in helping to develop a school equal to the needs of our modern, dynamic society - a school where students and teachers work together to learn the ways of democracy. I assure you that my part of this effort gives me great pleasure and satisfaction, and I hope that your part has been both profitable and pleasant to you.

Very sincerely yours,
William J. Holt
